IN REPLY GENERAL ORDER
REFER TO NO. 01-02

DLIS-R
April 3, 2001

I. Authority: Verbal approval by the Commander, Defense Logistics Information Service (DLIS), March 28, 2001.

II. Pursuant to cited authority and effective May 6, 2001, the following changes are made:

A. The Directorate of Requirements, Control and Management (DLIS-B) is renamed the Directorate of Technology Management (DLIS-T) . All mission, functions and resources are realigned within DLIS-T.

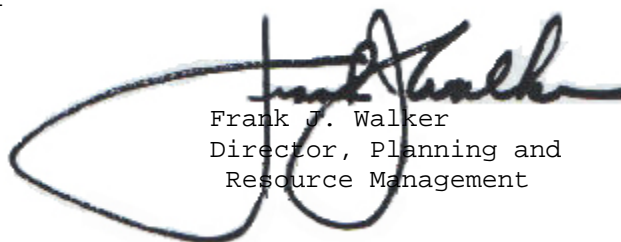

B. The Configuration Management Division (DLIS-BA) remains established as the Configuration Management Division (DLIS-TQ), with a changed organization symbol and functional focus. The mission and functions include software quality assurance, hardware and software configuration management, ADP contract administration, configuration control and change management, and technology exploration.

C. The System Integration Division (DLIS-BB) is renamed the System Assurance Division (DLIS-TA) . The mission and functions include systems testing, data administration, table management and management statistics.

D. The Communications Division (DLIS-BT) is renamed the Telecommunications Division (DLIS-TC) . The mission and functions remain intact.

E. The Information Assurance Division (DLIS-TS) is newly established and includes some prior DLIS-BA mission and functions: ADP security and information assurance.
